MOTION TO STAY PROCEEDINGS

Defendant: New York Jets, LLC

Googlebyte v. New York Jets, LLC

Civ. Action No. 2:18-cv-11920

Plaintiff enters this motion for a stay of proceedings in the case Googlebyte v. New York Jets, LLC. Plaintiff enters this motion to stay proceedings due to a number of impeding and obstructing circumstances. Plaintiff is currently in an everyday obligation that prevents plaintiff from even missing 4 days of this obligation without consequences. The consequences of not adhering to this 4 days off standard also have monetary consequences. Furthermore, plaintiff will also be entering into another required obligation that has phases of testing and also a term of a residency requirement that cannot be missed or altered or postponed. In addition to those circumstances plaintiff has also incurred a travel funds problem that has just recently taken affect. Due to these circumstances and others that plaintiff is unwilling to reveal in this document because of fear of court document theft, plaintiff is respectfully asking the court to stay the proceedings of the above titled case for one calendar year until impeding circumstances have subsided and plaintiff is able to then motion to proceed, amend, or reinstate case. Plaintiff believes that no longer brief is needed for this motion.

Respectfully Submitted,

Plaintiff: Googlebyte
